In re Lehman Brothers Holdings Inc., et al.,

My name is Michael Pinko.
In July 24, 2008 we bought 1330 Lehman Br. Stocks.

Months later Lehman Br. made bankruptcy and I have a question:

Lehman Br. Is private Bank, but most of the money belong to private investors.
With their money they could make what they want-
But how could they do it with public investments?

Is it possible that no one charge and regulate the investors money?

The Bank is not under control?

Many years People around the world trust in U.S .

Regards,
Michael Pinko
